A CBSE AFFILIATED SCHOOL
BALVATIKA TO 12TH

तद्विद्वि प्रणिपातेन परिप्रश्नेन सेवया।
उपदेक्ष्यन्ति ते ज्ञानं ज्ञानिनस्तत्त्वदर्शिनः॥
(अध्याय 4, श्लोक 34)

अर्थ: तुम गुरु के पास जाकर सत्य को जानने का प्रयास करो।
उनसे विनीत होकर जिज्ञासा करो और उनकी सेवा करो।
स्वरूपसिद्ध व्यक्ति तुम्हें ज्ञान प्रदान कर सकते हैं,
क्योंकि उन्होंने सत्य का दर्शन किया है।

A Message from the
FOUNDER
MRS. SHAILY BHATIA

Dear Students, Parents and Teachers

Welcome to Smart Kids, a proud CBSE-affiliated institution where we aim to nurture young minds to achieve academic excellence and holistic development. At our core, we believe education is not just about acquiring knowledge but also about building character and values. By adhering to the CBSE curriculum, we ensure that our students receive a well-rounded education that prepares them to excel in academics and life.

Our focus goes beyond textbooks to empower students with critical thinking, creativity and life skills through a blend of innovative teaching methods and extracurricular activities. Our state of the art infrastructure, dedicated faculty and values based approach provide the perfect environment for students to explore their potential and grow into confident individuals ready to face future challenges.

At Smart Kids Mehsana, we are committed to shaping not only successful students but also responsible and compassionate global citizens. Together, let us embark on a journey to create brighter future for our children.

CORE VALUES

VISION

To become a premier institution that fosters a love for learning, cultivates creativity and shapes responsible global citizens.

MISSION

To create a nurturing environment where children can thrive academically, socially & emotionally, enabling them to become confident, empathetic and independent individuals.

MOTTO

Shaping young minds with excellence in education, fostering lifelong learning and empowering future leaders.

Committed to Excellence in Education

WHY CHOOSE SMARTKIDS?

- **Qualified & Trained Teachers** – Dedicated professionals with expertise and passion for teaching.
- **Parent-Figure & Supportive Mentors** – Guiding students with care, encouragement and personal attention.
- **Continuous Professional Development** – Teachers regularly update skills to match evolving educational needs.

- **NEP & NCF Aligned** – Ensuring students are prepared for future ready learning.
- **CBSE Curriculum** – Balanced academics with co-curricular exposure.
- **Focus on 21st Century Skills** – Critical thinking, creativity, collaboration and communication. The teacher as a facilitator create inclusive, student-centered environments that ensures students don't just learn, but truly understand and apply knowledge.

- **Student-Centered Learning** – Prioritizing student voice and active participation.
- **Personalized Learning** – Tailored methods to suit diverse learners.
- **Collaborative Approaches** – Teamwork, peer learning and group projects.
- **Experiential Learning** – Hands-on activities, experiments and real-world applications.
- **Development of Critical Skills** – Problem-solving, adaptability, leadership and innovation.

- **Safe & Inclusive Campus** • **Smart Classrooms**
- **Library & Resource Centers** • **Composite & Math Labs**
- **Physics, Chemistry and Biology Labs**
- **Technology Integration** • **Arts & Music Spaces**
- **Sports & Physical Education Facilities**
- **Health & Wellness Facilities**
- **Eco-Friendly & Sustainable Campus**

LEARNING FOR A BRIGHTER TOMORROW

S

Skilled & Experienced Educators

The school boasts a team of qualified and certified teachers who are passionate about nurturing young minds. Their expertise and dedication ensure that students receive personalized attention and guidance, leading to a 100% student pass rate.

M

Modern Infrastructure & Facilities

Smart Kids Mehsana offers a conducive learning environment with modern infrastructure. The campus includes well-equipped classrooms, a comprehensive library and facilities that support a wide range of co-curricular & sports activities.

A

Academic Excellence & Holistic Growth

The school emphasizes the importance of co-curricular activities in developing well-rounded individuals. Students have opportunities to engage in various arts, sports and life skills programs, fostering creativity, teamwork and leadership.

R

Rooted in Strong Values

At the heart of Smart Kids Mehsana's philosophy is a commitment to instilling strong values in students. The school actively participates in social responsibility initiatives, encouraging students to contribute positively to society.

T

Thriving Location & Community

- Prime location in Mehsana, offering easy accessibility and a peaceful learning environment.
- Strong community engagement parents, teachers and students work together for success.

PRE-PRIMARY

Our Pre-primary School program in Mehsana is thoughtfully designed to nurture young minds in a joyful and engaging environment.

We focus on laying the foundation for lifelong learning by encouraging curiosity, creativity and confidence in our little learners.

Nurturing Young Minds

- **Holistic Education for Early Learners**
Our play-based & activity-driven curriculum fosters cognitive, social and emotional development, ensuring a strong foundation for lifelong learning.
- **Safe and Secure Campus**
We provide a child-friendly, secure environment with constant supervision, CCTV surveillance & trained staff to ensure the safety of every child.
- **Inclusive Education**
We embrace diverse learning needs, offering personalized support and early intervention for children with special learning requirements to help them thrive.
- **Extracurricular Activities for Pre-Primary Students**
Engaging activities like storytelling, music, art, dance and sensory play promote creativity, communication skills and overall development in a fun learning environment.

SECONDARY

Shaping Future Leaders with Advanced Education.

Smart Kids's Secondary School in Mehsana program builds on the foundation laid in primary education, equipping students with the skills, knowledge and confidence to excel academically and personally. Our aim is to prepare them for higher studies while nurturing their unique talents.

Core Features of Secondary Education: Our curriculum blends academic subjects, art and physical education to foster holistic development.

- **Focused Academic Curriculum**
- **21st-Century Skills Development**
- **Career Awareness Initiatives**
- **Leadership Opportunities**
- **Life Skills Training**

PRIMARY

Building a Strong Foundation for Future Success.

At Smart Kids, our Primary School program in Mehsana is designed to nurture young minds, laying a strong foundation for their academic and personal growth. We focus on creating a joyful learning environment where students feel safe, valued and inspired to explore their potential.

PRE-PRIMARY SECTION

Our Pre Primary section, comprising Nursery, Junior KG and Senior KG, provides a nurturing and playful environment for young learners.

We focus on holistic development, blending academics with creative, social and emotional growth.

Classrooms are designed to be safe, colorful and stimulating, encouraging curiosity and exploration.

Through activities like storytelling, art, music and play-based learning, children develop early literacy and numeracy skills.

Teachers guide children to build confidence, communication skills and social interaction.

The curriculum emphasizes values, habits and life skills for a strong foundation.

Our Pre-Primary program ensures that every child grows happily, creatively and confidently.

EXTRACURRICULAR PROGRAMS

At our school, extra-curricular activities play a vital role in holistic education.

They provide students with opportunities to explore their talents, build skills and discover new interests beyond academics.

Through activities like sports, arts, music, drama and clubs, students develop teamwork, leadership and creativity.

Participation fosters confidence, discipline and time management, preparing students for life challenges.

These activities also encourage social interaction, empathy and cultural appreciation among peers.

They offer a platform to showcase skills, express individuality and pursue passions.

By engaging in extra-curricular activities, students grow into well-rounded and capable individuals.

CO-CURRICULAR ACTIVITIES (CCA)

Co-curricular activities complement classroom learning and help students apply knowledge in practical and meaningful ways.

They include programs like debates, quizzes, science projects, exhibitions and community service.

Such activities promote critical thinking, problem-solving and analytical skills.

Students learn collaboration, responsibility and leadership through group projects and events.

Co-curricular engagement enhances confidence, communication and creativity.

It bridges academics with real-world experiences, making learning more interactive and enjoyable.

By participating in co-curricular activities, students become balanced, responsible and adaptable learners.

CELEBRATIONS AT SCHOOL

At our school, we celebrate festivals, national days and special occasions with enthusiasm and joy.

These celebrations help students learn about diverse cultures, traditions and values.

Through activities like decorations, performances, craft-making and role-plays, students actively participate in the spirit of the occasion.

Celebrations foster teamwork, creativity and a sense of community among students and staff.

They also encourage respect, empathy and understanding for different beliefs and backgrounds.

By engaging in these events, students develop confidence, communication skills and cultural awareness.

Celebrating together strengthens the school's environment, making learning joyful, inclusive and memorable.

AWARDS AND COMPETITIONS

Our school encourages students to participate in a wide range of competitions such as IFO, ITO, Talent Search, Spell Bee, Khel Mahakumbh, Kala Mahakumbh, Master Stroke and more.

These platforms help students showcase their knowledge, skills and talents beyond the classroom.

Participation fosters confidence, critical thinking and creativity in various fields.

It also promotes healthy competition, teamwork and sportsmanship among peers.

Through these events, students gain recognition, motivation and a sense of achievement.

Awards and accolades celebrate effort, perseverance and excellence.

By engaging in competitions, students grow into well-rounded, talented and confident individuals.
